23	Section 10. Voluntary Surrender of Certificate.

1	(1) An employer voluntarily surrenders its Certificate to self-insure (a) upon written notice to
2	the commissioner that the employer no longer desires to be self-insured, including the date and time
3	at which the employer intends to cease to be self-insured; or
4	(b) upon the effective date of a policy of workers' compensation insurance securing the
5	employers' liability for the compensation provided in this chapter; or
6	(c) upon notification to the commissioner the employer shall cease to pay directly the
7	compensation provided in this chapter; or
8	(d) upon the failure to deposit adequate security in the amount required by the commissioner;
9	<u>or</u>
10	(e) upon filing an action in bankruptcy unless the employer notifies the commissioner of its
11	intent to continue to pay the compensation provided in this chapter and the commissioner agrees to
12	authorize the continued direct payment.
13	(2) An employer that intends to secure its liability for compensation by obtaining a policy of
14	workers' compensation insurance shall notify the commissioner of the name of the insurance carrier
15	whose policy shall become effective and the date and time such coverage shall become effective.
16	(3) A formerly self-insured employer shall not be relieved of the compensation obligations
17	incurred during its period of self-insurance until every claim has been fully paid, fully settled, or
18	lapsed, so there is no possibility of further liability.
19	(4) (a) When the employer is no longer self-insured due to the voluntary surrender of its
20	certificate, the employer shall continue to deposit security with the commissioner in the amount and
21	in the form last determined by the commissioner for a period no less than five (5) years from the date
22	the employer ceased to be self-insured; no request for reduction shall be considered during this initial
23	five (5) year period. After an initial request for reduction in the amount of required security has been

- made, each subsequent request for reduction thereafter shall be considered no more frequently than
- every thirty (30) months following the conclusion of the prior request, if any.
- 3 (b) The formerly self-insured employer bears the burden to persuade the commissioner the
- amount and form of the security, as last determined by the commissioner, is excessive and a
- 5 reduction is warranted. The commissioner may consider the factors set forth in Section 5 of this
- administrative regulation or any other factor the commissioner finds relevant when evaluating the
- 7 formerly self-insured employer's request to reduce the amount of its required security deposit.
- 8 (4) When the employer is no longer self-insured due to the voluntary surrender of its
- 9 certificate, the security required by the commissioner shall not be less than \$250,000 for the first ten
- 10 (10) years following the date on which the employer ceased to be self-insured and shall not be less
- than \$100,000 for the eleventh through, and including, the twentieth years following the date on
- which the employer ceased to be self-insured.
- Section 11 [10]. Revocation [or Modification] of Certification. (1) A self-insured employer's
- certification may be revoked by the commissioner after a hearing is held.
- 15 (a) The hearing order shall set forth the grounds for revocation and set a hearing date no
- sooner than ten (10) business days from the date of the order.
- (b) The hearing shall be conducted pursuant to Section 13 of this administrative regulation.
- 18 Upon a prima facie showing by the Department of Workers' Claims of one or more of the grounds
- set forth in subsection 2 of this section, there shall exist a rebuttable presumption that the employer's
- 20 authorization should be revoked.
- 21 [(1) If the <u>commissioner</u> [executive director] receives information furnishing reasonable grounds to
- believe that a currently self-insured employer [the individual self-insurer] is not meeting, or may not
- be able to timely meet, all of its obligations arising under KRS Chapter 342 or this administrative

1	regulation, a hearing order shall be issued to the individual self-insurer detailing the purported
2	deficiency and setting a time and place for a hearing.]
3	(2) The <u>commissioner</u> [executive director] may revoke the self-insurance certification upon a
4	finding that any of the following conditions exist:
5	(a) The individual <u>self-insured employer</u> [self-insurer] is operating in:
6	1. Contravention of its submitted application; or
7	2. In material violation of this administrative regulation;
8	(b) The individual self-insured employer [self-insurer] or its parental guarantor no longer has
9	the financial stability to assure its ability to meet its obligations for the payment of workers'
10	compensation benefits; [or]
11	(c) The self-insured employer [insurer] has failed or refused to provide access to the books
12	and documents relating to the self-insurance activities of the entity;[-]
13	(d) The self-insured employer failed to pay an assessment by the appropriate guaranty fund;
14	<u>or</u>
15	(e) The self-insured employer failed to pay compensation provided in this chapter.
16	(3) When [Hf] the commissioner [executive director] revokes an individual self-insured
17	employer's [self-insurer's] certification, the commissioner [executive director] shall notify either the
18	Kentucky individual self-insurance guaranty fund or the Kentucky coal employers' self-insurance
19	guaranty fund.
20	[(4) Self-insurance certification may be revoked by the executive director after a hearing is
21	held.
22	(a) The hearing order shall set the grounds of revocation and set a hearing date in not less
23	than ten (10) days

(b) The hearing shall be conducted pursuant to Section 13 [11] of this administrative 1 regulation. 2 (4) [(e)] During the pendency of a hearing or appeal, the commissioner shall call the entirety 3 of the security deposited [executive director may utilize the surety deposit provided] by the 4 individual self-insured employer: 5 (a) When the commissioner has received information indicating the deposited security will 6 7 not be maintained or timely replaced with other acceptable security, or (b) When compensation is due but has not been paid by the self-insured employer. [self-8 insurer to make a payment of workers' compensation benefits which is currently due for which a 9 payment is not being made by the individual self-insurer or its service organization.] 10 (5) (a) When the employer is no longer self-insured due to revocation of its certificate, unless 11 the commissioner calls the deposited security, the employer shall continue to deposit security with 12 the commissioner in the amount and in the form last determined by the commissioner for a period no 13 less than five (5) years from the date the employer ceased to be self-insured; no request for reduction 14 shall be considered during this initial five (5) year period. After an initial request for reduction in the 15 amount of required security has been made, each subsequent request for reduction thereafter shall be 16 considered no more frequently than every thirty (30) months following the conclusion of the prior 17 request. 18 (b) The formerly self-insured employer bears the burden to persuade the commissioner the 19 amount and form of the security, as last determined by the commissioner, is excessive and a 20 reduction is warranted. The commissioner may consider the factors set forth in Section 5 of this 21 administrative regulation or any other factor the commissioner finds relevant when evaluating the 22 formerly self-insured employer's request to reduce the amount of its required security deposit. 23

1	(6) When the employer is no longer self-insured due to revocation of its certificate, unless the
2	commissioner calls the deposited security, the security required by the commissioner shall not be less
3	than \$250,000 for the first ten (10) years following the date on which the employer ceased to be self-
4	insured and shall not be less than \$100,000 for the eleventh through, and including, the twentieth
5	years following the date on which the employer ceased to be self-insured.
6	Section 12. Default.
7	When a self-insured employer or a formerly self-insured employer fails to meet an obligation
8	as a self-insured employer, including the obligation to deposit acceptable security in the amount
9	required by the commissioner, the failure to timely pay a compensation obligation to an employee
10	injured during the employer's period of self-insurance, or the failure to pay an assessment by a
11	guaranty fund, the commissioner shall:
12	(1) Call the entirety of the deposited security;
13	(2) Retain the security proceeds in the commissioner's possession or control until each claim
14	for workers' compensation benefits has been fully paid, fully settled, or lapsed, so there is no
15	possibility of further liability;
16	(3) Use the security proceeds to pay the compensation provided in KRS Chapter 342 in
17	claims incurred during the employer's period of self-insurance as follows:
18	(a) Where the employer was a member of a guaranty fund, forward to the appropriate
19	guaranty fund the security proceeds and order the guaranty fund to commence payment of the
20	member's incurred compensation liabilities using the security proceeds; or
21	(b) Where the employer was not a member of a guaranty fund, the commissioner shall use the
22	security proceeds to pay the employer's incurred compensation liabilities.
23	(4) When the commissioner determines all claims of the employer have been fully paid, fully

settled, or lapsed, so there is no possibility of further liability, and the security proceeds are not

exhausted, the commissioner shall pay any remaining security proceeds into the Franklin Circuit

Court for determination as to whether there is an entity legally entitled to the remaining security

proceeds. If no claim is made alleging entitlement to the remaining security proceeds within sixty

(60) days of the payment into the court, or the court ultimately determines there is no rightful

entitlement claim, the commissioner may petition the court to deposit the remaining security

proceeds into the fund established pursuant to KRS 342.920.

(5) The obligations of a self-insured employer or formerly self-insured employer may be guaranteed by a parent entity by way of a fully executed form SI–01, Guarantee Agreement; the form SI-01, Guarantee Agreement, does not preclude the commissioner from calling the security nor does it preclude the commissioner from pursuing all available means to separately recover from the defaulting employer or its guarantor.

Section 13 [44]. Aggrieved Parties. (1) A person aggrieved by an action of the commissioner [executive director] may request a hearing by filing a written request with the commissioner within thirty (30) [executive director setting forth the basis within sixty (60)] days of the action of the commissioner; the request shall set forth the specific basis for the challenge to the commissioner's action. [executive director.] Upon receipt of the written [a] request, the commissioner [executive director] shall issue a notice of hearing within ten (10) business days of receipt of the written request. The notice of hearing shall set the date, time, and place of the hearing to be held no sooner than ten (10) days after the date of the notice of hearing and no later than ninety (90) business days after the date of the notice of hearing and may provide the date, time, and place for an informal conference between the aggrieved party and the commissioner. The date and time of the hearing may be rescheduled as required upon motion by either party or upon agreement of the parties. [to be held no

- sooner than ten (10) days and no later than thirty (30) days after the notice.
- 2 (2) The aggrieved person has the burden to persuade the commissioner the action taken by
- 3 the commissioner should be amended or withdrawn. The aggrieved person may present evidence to
- 4 support its position and to contest evidence presented by other parties.
- $\underline{(3)}$ [$\underline{(2)}$] No later than thirty (30) days after the termination of the hearing, the <u>commissioner</u>

REGULATORY IMPACT ANALYSIS AND TIERING STATEMENT

Administrative Regulation No.: 803 KAR 25:021

Contact person:

B. Dale Hamblin, Jr, Assistant General Counsel

(502) 782-4404

(1) Provide a brief summary of:

> What this administrative regulation does: The function of this administrative (a)

regulation is to establish minimum requirements for an individual employer who seeks to or is

authorized to self-insure for the purpose of workers' compensation.

(b) The necessity of this administrative regulation: KRS 342.260(1) requires the

commissioner of the Department of Workers' Claims to promulgate administrative regulations

necessary to implement KRS Chapter 342. KRS 342.340 and 342.345 require the commissioner to

establish requirements for individual self-insured employers.

(c) How this administrative regulation conforms to the content of the authorizing

statutes: KRS 342.340 requires every employer to secure its liability for workers' compensation by

either obtaining and maintaining a policy of insurance or by depositing security after proving to the

commissioner of the Department of Workers' Claims it has the financial ability to pay directly all the

compensation provided in KRS Chapter 342. KRS 342.345 requires the security to be maintained

with the commissioner or under the commissioner's control until each claim for workers'

compensation benefits has been paid, been settled, or lapsed, so there is no possibility the employer

has further liability. KRS 342.347 requires the commissioner to examine the financial condition and

affairs related to workers' compensation of any individual self-insureds. KRS 342.900 through

342.920 speaks to the responsibilities of self-insured employers who are members of a guaranty fund and to the use of the security deposited with the commissioner to secure the payment of workers' compensation liabilities of those self-insured employers. This administrative regulation establishes the process that an employer must use in order to apply to self-insure, the requirements and responsibilities of an employer authorized to self-insured, the potential consequences of failing to meet those requirements and responsibilities, and the method to challenge an action by the commissioner related to those requirements and responsibilities.

- (d) How this administrative regulation currently assists or will assist in the effective administration of the statutes: This administrative regulation establishes the process that an employer must use in order to apply to self-insure, the requirements and responsibilities of an employer authorized to self-insured, the potential consequences of failing to meet those requirements and responsibilities, and the method to challenge an action by the commissioner related to those requirements and responsibilities.
- (2) If this is an amendment to an existing administrative regulation, provide a brief summary of:
- (a) How the amendment will change this existing administrative regulation: This administrative regulation establishes the process that an employer must use in order to apply to self-insure, the requirements and responsibilities of an employer authorized to self-insured, the potential consequences of failing to meet those requirements and responsibilities, and the method to challenge an action by the commissioner related to those requirements and responsibilities. The amendments will clarify the process, requirements, responsibilities, challenge methodology, and address issues not contemplated or addressed in the current administrative regulation.

- (b) The necessity of the amendment to this administrative regulation: The current language was unclear regarding certain issues and failed to address other issues; the amendment is to more clearly address specific issues and to address issues left out of the current language. For example, the current regulation does not address the process and situations under which an employer may voluntarily surrender its authorization to self-insure or the responsibilities of an employer that has voluntarily surrendered it authorization to self-insure. The amendments address those issues. Likewise, the amendments clarify when an employer is in default of its obligations as a self-insured employer and the action the commissioner will take upon the employer's default in its obligations.
- How the amendment conforms to the content of the authorizing statutes: KRS (c) 342.340 requires every employer to secure its liability for workers' compensation by either obtaining and maintaining a policy of insurance or by depositing security after proving to the commissioner of the Department of Workers' Claims it has the financial ability to pay directly all the compensation provided in KRS Chapter 342. KRS 342.345 requires the security to be maintained with the commissioner or under the commissioner's control until each claim for workers' compensation benefits has been paid, been settled, or lapsed, so there is no possibility the employer has further liability. KRS 342.347 requires the commissioner to examine the financial condition and affairs related to workers' compensation of any individual self-insureds. KRS 342.900 through 342.920 speaks to the responsibilities of self-insured employers who are members of a guaranty fund and to the use of the security deposited with the commissioner to secure the payment of workers' compensation liabilities of those self-insured employers. The amendments to this administrative regulation further clarify the process an employer must use in order to apply to self-insure, the requirements and responsibilities of an employer authorized to self-insured, the potential consequences of failing to meet those requirements and responsibilities, the method to challenge an

action by the commissioner related to those requirements and responsibilities and address circumstances not anticipated or addressed in the current administrative regulation.

- (d) How the amendment will assist in the effective administration of the statutes: This administrative regulation provides guidance to employers desiring to be self-insured, to those currently authorized to self-insure, and to those formerly authorized to be self-insured.
- (3) List the type and number of individuals, businesses, organizations, or state and local governments affected by this administrative regulation: Employers desiring to be authorized to self-insure, employers currently authorized to self-insure, and employers formerly authorized to be self-insured.
- (4) Provide an analysis of how the entities identified in question (3) will be impacted by either the implementation of this administrative regulation, if new, or by the change, if it is an amendment, including:
- (a) List the actions that each of the regulated entities identified in question (3) will have to take to comply with this administrative regulation or amendment: Employers desiring to be authorized to self-insure will have to follow the application process as established in the amendments. Employers currently authorized to self-insure and those formerly authorized to self-insure will not be required to take new actions; however, there will be increased clarity regarding those actions.
- (b) In complying with this administrative regulation or amendment, how much will it cost each of the entities identified in question (3): The amendments will not add additional cost.
- (c) As a result of compliance, what benefits will accrue to the entities identified in question (3): The entities will have clear guidance regarding the application process, the

requirements and responsibilities of an employer authorized to self-insured, the potential consequences of failing to meet those requirements and responsibilities, the method to challenge an action by the commissioner related to those requirements and responsibilities and guidance regarding circumstances not anticipated or addressed in the current administrative regulation.

- (5) Provide an estimate of how much it will cost the administrative body to implement this administrative regulation:
 - (a) Initially: None
 - (b) On a continuing basis: There should be no additional cost.
- (6) What is the source of the funding to be used for the implementation and enforcement of this administrative regulation: The Department of Workers' Claims normal budget is the source of funding.
- (7) Provide an assessment of whether an increase in fees or funding will be necessary to implement this administrative regulation, if new, or by the change if it is an amendment: No increase in fees or funding is needed to implement this administrative regulation.
- (8) State whether or not this administrative regulation established any fees or directly or indirectly increased any fees: This administrative regulation does not establish or increase any fees.
- (9) TIERING: Is tiering applied? (Explain why or why not) Tiering is not applied; the administrative regulation applies to all parties equally.

SUMMARY OF MATERIAL INCORPORATED BY REFERENCE

- (1) The following material is incorporated by reference:
- (a) "Self-Insurers' Guarantee Agreement, Form SI-01" (November 2005 edition), is a form by which a parent entity guarantees the workers' compensation obligations of its subsidiaries;
- (b) "Employer's Application for Permission to Carry Its Own Risk Without Insurance", Form SI-02 (January 2004 edition), is the form used by employers desiring to be authorized by the commissioner to self-insure;
- (c) "Employer's Application for Recertification", Form SI-02R (January 2021 edition), is the form submitted each year by employers desiring to continue to be authorized by the commissioner to self-insure;
- (d) "Continuous Bond, Form SI-03", (January 2004 edition), contains the language required to be included in a bond deposited with the commissioner as security; and
- (e) "Letter of Credit, Form SI-04", (January 2004 edition), contains the language required to be included in a letter of credit deposited with the commissioner as security.

SUMMARY OF CHANGES TO MATERIAL INCORPORATED BY REFERENCE

- (1) "Deposit Contract, Form SI-05", (January 2006 edition), was removed because it is no longer an available form.
- (2) "Employers Application for Recertification", Form SI-02R (January 2021 edition), was added as an available form. Employers are required to submit information each year in order to continue their authorization to self-insure. Employers had been submitting an "Employers Application for Permission to Carry His Own Risk Without Insurance, Form SI-02", (January 2004 edition), for this purpose; however, some portions were inapplicable. Therefore, a new form was developed specific to the continuing authorization process.

- (3) "Employers Application for Permission to Carry His Own Risk Without Insurance", Form SI-02 (January 2004 edition), was renamed "Employer's Application for Permission to Carry Its Own Risk Without Insurance, (January 2021 edition), and pages 1 and 2 amended to more accurately describe the duties a self-insured employer knowingly accepts as a self-insured employer. Additionally, the form had previously been utilized as an annual filing; however, not all portions were applicable so a new form was developed for this purpose. Revisions were made to page 1 to make clear this form was not for use by an employer currently authorized to self-insure but by an employer desiring to be newly authorized by the commissioner to self-insure.
 - (4) There were no changes to the other material currently incorporated by reference.
